Exodus

Idealists from around the world set out to found a new society in Antarctica. The cold is crueler than expected, and survival means overcoming their differences, with humanity watching.

THE PROPOSAL

They left everything to found a better society in the most hostile place on Earth.

Idealists from around the world set out to restart civilisation in Antarctica. The cold is worse than they imagined, fear spreads and their differences turn into war — with the whole world watching.

WHY THIS PROJECT

A survival series about the question of our time: can we start over?

01 Survival on the ice is a global hit: Society of the Snow was watched almost 100 million times on Netflix in three months.

02 Antarctica had a record 122,000 visitors in the 2023–24 season: the planet's last untouched place has become a destination and a talking point.

03 Born on the set of Juan e a Bailarina, which shot in Antarctica. International cast, with locations in southern Chile, Argentina or Iceland.
